| Subject | Level | Study Mode | Duration | Start Date |
|---|---|---|---|---|
| Agriculture | Level 1 | Full-Time | 1 year | September 2027 |

## Practical vs Theory

70% 30%

## The Course

This is an introductory-level course that is designed to allow students interested in a career in the land-based sector to develop the confidence and skills they will need whilst studying.It makes the best possible use of the college's outstanding facilities and is a mixture of Horticulture, Engineering, Agriculture and Countryside studies.

## What You Will Study

- Safe and effective working practices
- Transportation of supplies
- Maintenance of structures and surfaces
- Maintenance of equipment
- Planting and establishing plants
- Habitat management work
- Animal care
- Work experience and employability skills
- English and Maths, as required

## Entry Requirements

You will need a full Entry Level 3 qualification, or equivalent, or 3 GCSEs at grades 1-2, including Maths and English. A passion for the subject and one satisfactory reference are also required.

## Time Required on Campus

You will normally be in college three days a week.

## Clothing, Equipment and Additional Costs

- A pair of strong sturdy safety boots (with steel toe-caps)
- One pair of college-branded overalls - preferably made of cotton
- Waterproof coveralls
- Wellington boots
- Folder with dividers to organise your work and assignments
- Stationery including notepad for use in class, pens and pencils
- Optional: High-visibility bib

## Progression

You will be able to progress to the Level 2 in Agriculture.

## Careers

Work in a wide variety of roles in land-based engineering, on an arable and livestock farm, with animals in sanctuaries and wildlife centres, in environmental conservation and horticulture.
